Associate in Research Participation Agreement**

Please read, sign, and return this agreement to fairbankcenter@fas.harvard.edu. Your Associate in Research affiliation with the Fairbank Center for the coming academic year will commence only after this agreement has been signed and returned to the Center.

In consideration of my status as an affiliate of the Fairbank Center for Chinese Studies at Harvard University and my use of resources provided by the Fairbank Center, I agree as follows:

1. My status as an Associate in Research is a yearly affiliation and is subject to review and renewal at the discretion of the Fairbank Center for Chinese Studies.
2. With respect to the title of Associate in Research, I acknowledge that it does not constitute a Harvard University appointment and should not be represented as such; it does not grant agency on behalf of the Fairbank Center or of any part of Harvard University. The title of Associate in Research is not to be used for business purposes.
3. Office space and visa sponsorship are not provided and affiliation does not necessarily include opportunities for organizing events at the Fairbank Center.
4. I acknowledge that Fairbank Center policy does not grant the use of the term Associate in Research or the affiliation as an official title or signature in print or electronic correspondences, though I may list it as one of my designations in professional documents such as a CV or an academic website.
