## APPLICATION INSTRUCTIONS:

The Fairbank Center for Chinese Studies offers small grants to undergraduate and graduate student organizations towards projects or events relating to Greater China and China Studies. These grants are offered on an ongoing basis throughout the academic year; however, organizations are encouraged to apply as early as possible, as funding is limited. For projects spanning multiple countries and/or regions, the Fairbank Center will coordinate with the Asia-related centers and institutes based in Harvard's Center for Government and International Studies on an appropriate award amount based on content. If you have applied to other centers or sources of funding for this proposal, please notify us on the Funding Request page.

**Applications must be submitted at least one month in advance of the event or project start date.**
